

St Albans Folk Festival 2020 has been canceled

It is with great sadness and much soul searching that we announce the cancellation of the 2020 festival.

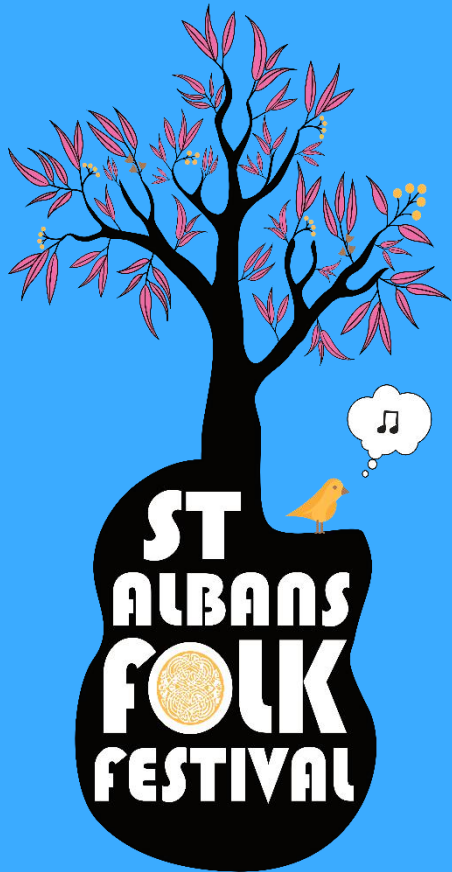

In light of the advice from Australia's Chief Medical Officer and the NSW Government limit on crowd events exceeding 500, St Albans Folk Festival has been canceled.

Thank you for your patience and forbearance.

All pre-paid tickets have been refunded. Please check your accounts in a couple of days and email any problems.
